

I am an over the road truck driver for the past 48 years. I purchased my XM Radio three months ago. Since that time I have been able to avoid large traffic tie ups in major cities and know a head a time of any bad weather. So to not allow this service that I PAY for is an injustice. We have been stripped of too many of our rights. This is also one of my rights to have this service that I PAY for.

I am a Veteran of Korea and Vietnam and I have fought for this right.
